

**Nomination Instructions**  
for service on Bay/Basin Stakeholder Committee and  
Texas Environmental Flows Science Advisory Committee

Persons wishing to volunteer to serve, or to nominate persons to serve on the Texas Environmental Flows Science Advisory Committee, or a Basin and Bay Area Stakeholders Committee may do so by submitting a letter to:

Environmental Flows Advisory Group  
c/o Kathleen Ramirez MC-154  
Texas Commission on Environmental Quality  
P.O. Box 13087  
Austin, TX 78711-3087

In the letter each person should state whether they are **nominating themselves or someone else** to serve on the **Texas Environmental Flows Science Advisory Committee or on a basin and bay area stakeholder committee**. For each nomination for a basin and bay area stakeholder committee **identify the specific basin and bay area** stakeholder committee that the nominee wishes to serve on, for example: Trinity, San Jacinto rivers and Galveston Bay; Sabine and Neches Rivers and Sabine Lake Bay; etc.

For each nominee, the letter should include their **name and address, phone number(s) and if available a fax number and e-mail address**. **The letter should also indicate if the individual is willing to serve.**

For each individual nominated to serve on a basin and bay area stakeholder committee, the letter must indicate **which interest group** listed in Water Code §11.02362(f) the person would represent.

The letter should also include a **very brief statement of each nominee's background and qualifications**.

**Nominations for:**

- **the Texas Environmental Flows Science Advisory Committee**
- **Stakeholder Committee #1: Trinity & San Jacinto Rivers/Galveston Bay Area**
- **Stakeholder Committee #2: Sabine & Neches Rivers/Sabine Lake Area**

**will be accepted until MARCH 14, 2008.**

Deadlines for submitting nominations for the other basins have not yet been established.
